

# Additional Costs by Program

Students in a number of academic programs should plan for additional expenses as part of their education. These added expenses include professional-quality tools and equipment such as laptop computers, required supplies such as uniforms and special books. For more information about specific program costs, visit [www.NDSCS.edu/Paying-for-College](http://www.NDSCS.edu/Paying-for-College).

Students enrolled in the following programs should add the corresponding amounts to their estimated expenses. The (1) indicates the first year of a program, and a (2) indicates the second year.

Agriculture (1) \$1,884  
Agriculture (2) \$358  
Architectural Modeling & Design Technology (1) \$2,870  
Architectural Modeling & Design Technology (2) \$382  
Auto Body Repair & Refinishing Technology (1) \$7,790  
Auto Body Repair & Refinishing Technology (2) \$1,000  
Automotive Technology (1) \$12,018  
Automotive Technology (2) \$1,060  
Autonomous System Technician \$1,774  
Building Construction (1) \$3,668  
Building Construction (2) \$388

For a complete list of tools and supplies, contact the Bookstore. Estimates for laptop computer leases are based on rates from a vendor. Students retain the option of buying any books, tools and supplies — including laptop computers — from vendors other than the Bookstore or those recommended by NDSCS.
